Muhammad Tayyab

Frontend Developer

Frontend Developer | React.js | JavaScript (ES6+) | Responsive Web Design | Harbanspura, Lahore | mtayyab3409@gmail.com | 0306-1822394 | [LinkedIn](#) | [GitHub](#)

Professional Summary

Results-driven Frontend Developer with hands-on experience in building responsive web applications using React.js, HTML5, CSS3, and JavaScript. Skilled in creating dynamic user interfaces, integrating APIs, and collaborating in development teams. Seeking opportunities to contribute technical expertise in a growth-oriented development environment.

Key Skills

• HTML5, CSS3, JavaScript (ES6+)

• React.js & React Router

• Tailwind CSS

• Responsive Web Design

• API Integration (REST APIs)

• Git, GitHub & Version Control

• JSON Handling & Basic Debugging

Project

E-Commerce Website with Admin Dashboard (Final Year Project)

Technologies: MongoDB, Express, React.js, Node.js, Tailwind CSS, JWT Auth

• Developed full-stack e-commerce platform with responsive product browsing, cart, and checkout.

• Integrated REST APIs for products, orders, users, and secure authentication.

• Built an admin dashboard with complete CRUD functionality for products, users, and orders.

• Implemented JWT-based authentication with login/signup flow and protected routes.

• Enhanced user experience with dark mode toggle and basic AI chatbot module for customer support.
